Relationship Report for Meghan and Harry

How to get the most from this Relationship Report

The success of your relationship is never determined by your Birth Cards or your connections alone. Though some cards have it easier than others in this important area of life, ultimately it is each individual who holds the responsibility for the success or failure of their relationship. This report will act as a guide to help you achieve that success if that is what you truly want. Pay special attention to the affirmations listed for each connection in this report.

Welcome to your personal Love Cards report. The purpose of this report is to reveal as much information about you and your partner as possible, using an ancient and highly accurate system called The Book of Destiny. It is our hope that this report will enlighten you a little, and maybe even help you to make more powerful and happy choices in the areas of love and marriage. This report will explain many things about you, your partner, and how the two of you interact. However, in no way is this meant to tell you whether or not you will be successful as a couple. That success is always in your hands. No matter what connections you share, this relationship can be successful if both partners want it and are willing to commit to making it happen. However, you may discover herein just how easy or challenging that may be for the two of you.

Your Relationship Report consists of two separate parts. The first part is where you will find the description of each of your Birth Cards and Planetary Ruling Cards, if you have them. This section will reveal some of your personality traits, values, and other factors that make each of you who you are. You can get a basic feeling for each of you in this section and perhaps get a new perspective on who you are. This section may also reveal some of your relationship patterns - what sorts of people you are each attracted to, whether you are inclined to commitment or not, and other factors that may influence your love life.

Once you have learned something about each of you separately, you are ready to learn about how the two of you connect energetically. In the second part you will find out exactly what 'connections' you share with your partner that explain what each of you experiences when you are together. This is where you will find out what areas are easy or challenging for the two of you, what things you may like or dislike about your partner and why. Your connections explain how your relationship will be experienced by both of you. Some connections are good for sex, others for marriage, and others for working or business relationships.

This report was created with the intention of opening up doors of understanding and awareness. May your awareness grow and along with it, your understanding of your life and your happiness with it.

Relationship Report for Meghan and Harry

Report Overview - Significators and Connections

The cards that represent us are called our Personal Significators. The most important of these is our Birth Card but there are others that play an important part as well. On this page are listed the personal significators for each person that are used to find the relationship connections in this report.

All about Meghan`s Birth Card

Our Birth Card is our most important symbol of who we are in this lifetime. It is the card that we most identify with, and through which we have the greatest gifts to share with those around us. It is also called our Sun Card and our Soul Card.

The Nine of Diamonds Person

The Card of Universal Values and The Giver's Card

Nine of Diamonds people are here to 'let go' and complete a major chapter in the evolution of their soul and personality. This entails a lot of giving to others and being willing to release both people and material things from their life when the time comes. If they have not heeded the call to give and let go of others, money, relationships, and love, their life can be filled with disappointment and remorse. Those on the positive side are philanthropic and generous, happy and productive. All have the opportunity to experience first hand, the heightened consciousness that comes from living a 'universal' life.

Despite losses from time to time, these people can do very well in business, especially when it involves selling or other creative enterprises. They are great at promoting things they believe in. They are great talkers and communicators. Many become counselors, if not professionally, then at least with their friends and family. If they keep their values in proper perspective, they may even attain affluence. A disregard for the higher laws will inevitably result in misfortune and misery. They should be careful while driving and when taking any kind of risks and chances. They can be reckless or accident prone.

They also have great minds and many are attracted to some professional work that allows them to use their intellectual abilities.

One of the challenges of the Nine of Diamonds is to develop and use their charm and power to do some good work. Many of them are destined to make great contributions to the world, often by leading others to a higher form of knowledge or understanding.

Some of the Nine of Diamonds Issues Concerning Relationships

Nine of Diamonds like to have someone to talk to and prefer relationships with those who are witty and smart. Most of them have at least one challenging marriage of a karmic nature and there are usually responsibilities associated

All about Meghan`s Birth Card

with family, spouse or children. Marriage is usually karmic, or destined, and often long lasting. The men should always beware of female Club cards, except the Jack of Clubs, who might make a good marriage partner. They tend to have traditional values about marriage and are very giving people and easy to get along with.

All about Meghan`s Planetary Ruling Card

The Planetary Ruling Card acts like a second Birth Card to give you a new slant on your personality and character traits. It is very important in terms of your personal relationships since it represents a part of you that you identify with strongly.

Leos Have No Separate Planetary Ruling Card

Because you are a person born under the royal sign of the Sun, your Planetary Ruling Card is the same as your Birth Card. What this tells us is that you are much like a double or triple version of your Birth Card. Whatever qualities you have, according to your Birth Card, have been doubled in your case and of course, you tend to dramatize these qualities to the max at times. Of you, people might say, "he (or she) is such a card!" because you put so much of yourself into whatever expression you have to show to the world. You have a lot of potential in terms of leadership and have an opportunity to utilize the characteristics of your Birth Card to lead others and help them in many ways. You also tend to have a strong romantic nature that in some cases, can interfere with long-term commitments.

All about Harry's Birth Card

Our Birth Card is our most important symbol of who we are in this lifetime. It is the card that we most identify with, and through which we have the greatest gifts to share with those around us. It is also called our Sun Card and our Soul Card.

The Nine of Clubs Person

The Card of Universal Knowledge - The Giver of Knowledge

Though this is a card of expanded consciousness, it is also a card of negative thinking and any individual of this Birth Card is working with both of these factors to one extent or the other. These people must let go of many negative mental patterns accumulated from past lives if they are to access the inherent power in this card. There are many who do and who have reached the very heights of recognition. This is also a card of sexual enjoyment. If this sensuous side is allowed to dominate, much time and energy is wasted that would otherwise elevate them to great accomplishment.

The Nine of Clubs is here to end a major cycle in their soul's development, a completion that should see them giving their wealth of knowledge to the world. There are some debts to be paid, especially to those of the Queen of Hearts card and their own families, but once these debts are paid, they can proceed with their cosmic task of enlightening the world. Financially, they are always assisted by Diamond men and they do well in their own business if they don't let the pursuit of money spoil their spiritual values. They cannot be totally materialistic or mercenary even if they try.

Some of their life challenges revolve around honesty and integrity. They are often involved with others who are not so high in these areas and this can pull them down. They are here to learn to focus their mental power and stick to a philosophy that will guide them through the ups and downs of life.

Some of the Nine of Clubs Issues Concerning Relationships

The Nine of Clubs is a loving and highly sexed individual. They actually love romance more than marriage and perhaps this is why some of them have extra-marital affairs. They are also very devoted to their children. There is destined to be one or more very challenging relationships in their life as they have a need to grow up and learn about the responsibilities involved in a true

Relationship Report for Meghan and Harry

All about Harry`s Birth Card

partnership. It is also likely that they will have one major divorce in their life that will alter their life course.

The Nine of Clubs has high love ideals and can be romantic to the extreme. Often, this fragile dream of love comes crashing against the rocks of reality and misplaced hopes and dreams, and they do suffer as a result.

All about Harry`s Planetary Ruling Card

The Planetary Ruling Card acts like a second Birth Card to give you a new slant on your personality and character traits. It is very important in terms of your personal relationships since it represents a part of you that you identify with strongly.

Nine of Spades as Your Planetary Ruler

This ruling card tends to make you a kind-hearted and giving person, and one who understands the suffering that some people have to go through in this life. For this reason, others may come to you to talk about their problems and to be consoled. You are essentially a giver, and it seems that whenever you do things with selfish motivation, you have many problems instead of satisfaction. You may have experienced some personal losses in your life and your own health may be a concern from time to time. In this lifetime you are learning to disassociate yourself from your personal concerns and adopt a more universal view of life. You will have some profound spiritual awakenings that will open up new doors of understanding and experience.

All about the Love Connections you share

Look at each connection between you as a cosmic link that connects each of you to some part of yourself that you want to look at, develop or explore in some way. Your partner is your mirror into your own soul.

This report uses the most advanced techniques available to give some real insight into the inner workings of your relationship. Using the ancient system, now known as the Book of Destiny, it determines the energy 'connections' that reflect exactly how the two of you interact. These connections are essentially described as planetary energies, for example Mars or Venus. Some connections are harmonious, while others create certain kinds of friction or stress between you. All of the connections between you serve an important purpose and contribute to the experience that you share. Keep in mind that most connections have a higher expression and a lower one. The affirmations given for each connection indicate how to access the highest expression of each one.

The connections are listed in the order of their importance. The first connection is the most important and the second is the next important, etc. But even the last connection between you probably manifests itself in your experience together. Therefore, regard all of them as having some important information for you.

You may have only a few connections, two or three, or you may have as many as fourteen. Each couple has a unique number and kinds of connections - as unique as the love and feelings they share for each other.

Look to see if you have more than one kind of connection between you. For example, you may have a total of two or three Mars connections between you. When this is the case, you should study these connections carefully, realizing that this probably indicates some of the most important reasons that you are together and the issues that you most often face together.

Finally, there are no bad connections. If we are attracted to someone so much that we spend time with them, there are important reasons for this. The descriptions of the connections in this report can help you understand why you have made the choice to be together, which can in turn help each of you to understand your individual personalities and needs better. Of course, some connections indicate stress and challenge, but this is because we often use relationships as the vehicle through which we resolve our own inner conflicts. If the love is there, there are many good things for each of you to gain from being together.

Relationship Report for Meghan and Harry

The First Connection Between You

Meghan

Harry

Your first connection is always considered the most important of all and, in most cases, will represent the dominant pattern that is your relationship. Study the connection described below carefully, as it may reveal some hidden opportunities for the two of you.

Meghan and Harry are Venus to each other

Location: Spiritual Spread

This is one of the truly blessed connections. What it implies first of all, is that Meghan and Harry were together in a meaningful way in a former lifetime. During that lifetime, they were in a significant relationship. It may or may not have been marriage. It could have been best friends, father/son, mother/son, mother/daughter, etc. The important thing is that Meghan and Harry were very close in that lifetime and spent a lot of time together. Over the course of their relationship, they met with many challenges and overcame them with love, patience and perseverance. They developed a deep love for each other by having shared so much. This lifetime together created much good karma in the area of relationship because each of them made sacrifices for each other and loved each other with a high degree of integrity and commitment.

As a result, when they first met in this lifetime, they recognized a certain familiarity and also noted the ease of being together. Though they are unable to remember their previous life together, the feelings remain for each other on a soul level. When they engage in a relationship in this lifetime, they find that many of the elements that most couples have to earn by being together, such as trust and appreciation for each other, are already present for them. In essence, they already have a good foundation upon which to build any sort of relationship.

This connection is one of the 'love at first sight' connections. But this one is even better than most because it is a mutual connection. Mutual means that both people experience the influence equally. This has the effect of doubling the influence, and in this case, the influence is very favorable to begin with. Meghan and Harry will find that this relationship is fairly easy, unless other connections strongly contradict. If this connection is between their Birth Cards, the compatibility between them is guaranteed. Having a lot of compatibility is not, however, a guarantee that the relationship itself will work. There are far too many other factors that influence the outcome of relationships for any connection to make that guarantee. However, love is definitely there, and in

The First Connection Between You

Meghan

Harry

great abundance.

As a result of this connection, Meghan and Harry already have a great deal of mutual respect, appreciation and good feelings for each other. In some cases, these feelings may be hard to explain because the two people involved may not actually have a lot in common. This connection can help show Meghan and Harry just how love can overcome all differences. It is the most powerful force in the universe. There are cases, however, where two people with this connection just cannot be together in this lifetime. The differences in their lifestyle, or life direction are so great that one of them would have to give up too much to make it work. The love is there, along with the understanding that this relationship wasn't meant to happen in this lifetime, or perhaps it will happen later in this lifetime after each has fulfilled some important work they are doing. The love between Meghan and Harry will remain with them forever - through this lifetime and on into the future. That may be why so many people with this connection feel that they are soul mates. But the truth is that we have these connections with many people, but we will probably only choose to stay with one. Hopefully Meghan and Harry have enough in common that this will be the case for them. If they only focus on the love they have for each other, everything will work itself out in the best way possible for all concerned. Meghan and Harry are blessed to have this experience. Just meeting each other could transform their lives.

Affirmation for Meghan: With Harry, I experience a love that is true and timeless. I am learning that love transcends all boundaries that exist between people and am gratified by being with him. I am truly grateful for this special relationship and consciously choose to expand this love we share so deeply.

Affirmation for Harry: There is a love I feel for Meghan that is hard to explain, and yet feels so right. I appreciate her presence in my life and welcome the opportunity to be together and experience this love we share.

The Second Connection Between You

Meghan

Harry

Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.

Meghan is the Mars Card to Harry

Location: Spiritual Spread

This is one of those 'instant recognition', past-life connections that is responsible for many marriages and friendships. This connection tells us that Meghan and Harry have shared some past lives together. In one of those lifetimes they developed a strong Martian energy between them, which in this lifetime seeks resolution. Now, in this lifetime, there is a strong likelihood that Meghan and Harry will feel some sort of familiarity when they meet, and there could be a strong attraction that draws them together. Martian energy is either passionate and aggressive or competitive and hostile. Often it is a curious mixture of the passion and hostile energies.

In particular, Meghan is a strong stimulant to Harry. She will either excite him, make him angry or both. Martian energy is power that must be managed and handled consciously if it is to create positive results in our lives. Therefore, Harry will have a great responsibility to channel this energy into positive activities. Lovemaking is a wonderful outlet for this energy and there is no doubt that passion exists for this couple. In many cases, this connection exists between a couple who had unfulfilled passion for each other from the past life in question. It was an unconsummated love that for whatever reason, was never allowed to run full circle. Now, when they meet in this lifetime, the passion is right there, as if it had just been waiting for them to meet to be realized. 'Lust at first sight' might describe it quite well.

But there is an equal possibility that Meghan and Harry were involved in some other sort of relationship in that lifetime which resulted in unresolved feelings of anger or hostility. If this is the case, the two of them will have to work on correcting this because any hostility we feel for another will have to eventually be transformed into love. Other connections between Meghan and Harry may reveal whether or not this is the case. But they will probably already know the answer to this question from their personal feelings about each other.

Regardless of the reason for their getting together, in the here and now they will have to come up with a formula to deal with this Mars energy they

The Second Connection Between You

Meghan

Harry

share. One of the most positive outlets for this energy is to work together. As a matter of fact, most of the couples who have successful working and romantic relationships have one or more strong Mars connections between them. Working together provides a wonderful outlet for all those Martian energies. The energy becomes a blessing in their relationship, inspiring them to be productive and to 'get going'. Other good things to do with Mars energy is to get outside and walk, hike, ride bicycles, jog, and other forms of shared physical exertion. Meghan and Harry will find that engaging in these kinds of activities always brings them closer together and funnels off the competitive and aggressive energies into positive pursuits.

When there are Mars connections, regardless of what else exists between two people, we know that there are some anger issues to work on in the context of their being together. In this relationship, Harry is probably the one who allows Meghan to anger him. Because Meghan is his Mars Card, he is the one who is reacting to Meghan as a Mars influence. He also bears the greater responsibility for this anger or competitiveness when it comes up. The trick to dealing with anger issues effectively is to realize that rarely do people do or say things to make us mad on purpose. It is often our interpretation of their actions or words that makes us angry. This is the challenge for Harry and he probably chose Meghan to have the opportunity to work on this.

In conclusion, this relationship provides a powerful stimulus for both partners, even though Harry may be affected a little more since he is the one receiving most of the Mars energy. If Meghan and Harry take this energy and put it to work they can benefit from the constructive activities it inspires. They probably were attracted to each other because on some level they wanted to get their lives going in a positive direction. With so much energy at their disposal, there is much they can accomplish, as long as they keep it well-managed and directed.

Affirmation for Meghan: I am aware of how much I stimulate Harry and understand his feelings. With this awareness I consciously guide my actions and help us both by encouraging positive outlets for this powerful energy we share.

The Second Connection Between You

Meghan

Harry

Affirmation for Harry: I accept Meghan as a powerful stimulus in my life and choose to take responsibility for my own emotional reactions to her. With her help, I am diffusing my own anger and channeling my energy into positive directions.

The Third Connection Between You

Meghan

Harry

Meghan is the Cosmic Reward Card to Harry

Location: Spiritual Spread

Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.

This is a past-life connection and one that has strong, spiritual overtones. The Cosmic Reward Card is associated with Jupiter and as such can be a blessing in our life. But whereas Jupiter's blessings are often of a financial nature, the Cosmic Reward Card's blessings are usually of a less material nature. In its highest manifestation, the Cosmic Reward connection will bring us experiences that validate our own importance in the universe, helping us feel connected and blessed by higher powers. We can receive guidance and confirmation about our life and its purpose. Feelings can arise that inspire us, enliven us and make us feel good about living. These are things that we often do not value much until we have advanced in age to some degree. In general, we say that Cosmic Reward relationships are perceived as more of a blessing after the age of 35. But this is only based on averages and norms. Anyone can be more interested in these things at any age.

Harry is the one who is receiving this Cosmic Reward influence from Meghan. This means that Meghan could be a very important blessing in his life, if he is willing and able to receive it. Since the Cosmic Reward Card follows the Pluto Card, it is often only after we have done our own work of personal transformation, indicated by our Pluto Card, that we are rewarded, so to speak, by our Cosmic Reward Card. The Cosmic Reward Card, is, in any case, something that we are destined to become or achieve in this lifetime. This means that Harry may feel drawn to Meghan because he can perceive that

The Third Connection Between You

Meghan

Harry

Meghan has these qualities that are a part of his destiny. If Harry is creating a happy life for himself, Meghan will be a natural part of that happiness, if other connections do not strongly indicate otherwise.

This connection guarantees that this relationship has a certain amount of compatibility potential. Meghan truly feels encouraged to give to Harry and to share her wealth and abundance with him. This giving attitude can be part of a good foundation for a successful relationship. But, if Harry has not yet dealt with his own need for change in this lifetime, Meghan may just serve as a reminder to him of this fact. If this is the case, Meghan may seem more of a confronting and challenging influence to Harry.

So, we see that much of how this connection affects the relationship lies in the hands of Harry. It is for him to decide what to make of it. Hopefully, he will be ready to receive Meghan as the blessing in his life that she has the potential to be. Later, he may realize that they were destined to be together, which is a common experience with this connection.

Affirmation for Meghan: I am glad to be a blessing in Harry's life and hope that I can give him all that I have to give. I understand that he may be challenged by me at times and have compassion for this. I only wish the best for him.

Affirmation for Harry: I am grateful for the presence of Meghan in my life. I accept all the good things that she brings into my life and respond with appreciation and gratitude. In this way I multiply my blessings.

The Fourth Connection Between You

Meghan

Harry

Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.

Harry is the Cosmic Lesson Card to Meghan

Location: Spiritual Spread

From a past life of being together, Harry has returned to Meghan in order to play an important role in her life. This role will help her find herself and her life's work if she is looking for these answers. This represents a karmic debt that Harry must repay in order to fulfill his own aspirations. Somehow, Harry will be able to help Meghan realize her highest potential. At the least, Harry's presence in her life will act as a sign to point her in the right direction, a direction where Meghan may fulfill her obligation to the world and make a valuable contribution through her efforts.

On a personal level, this connection has little, if any, influence. It may not affect the feelings they have for each other unless the subject of Meghan's most important issues revolve around her purpose and career. In that case, Harry may find himself reminding her of how she can improve herself, or of what things she can do to get more success in the areas to which she is striving. If this happens, Meghan may react with gratitude or with resistance, and this could play an impact on just how they get along with each other. The more important these issues are for Meghan, the more this connection will affect the relationship. But, in most cases, the reminder is more of a subtle nature, and doesn't manifest in any sort of personal confrontation between the partners.

To the degree that Meghan is aware of her own personal need to play some important role in her life, she will find Harry to be a helpful influence in this regard. He may even be doing the kind of work that she is wanting to do, or is destined to do. They may be able to share this work. In other cases, Meghan may not be career-minded at all and Harry merely serves to remind her of characteristics that will help her fulfill whatever roles she is playing in her life more effectively. There is definitely an implied student/teacher relationship here, though it is not necessary for either Harry or Meghan to be aware of it. However, Harry's presence is a lesson to Meghan on some level and the more she is aware of this, and then acts upon what she is receiving from him, the sooner Meghan will elevate herself in respect to whatever roles she is playing in

The Fourth Connection Between You

Meghan

Harry

her life.

Affirmation for Harry: My awareness of how I am a reminder to Meghan of how she can make a valuable contribution in this world reminds me that I am an important influence in her life. I wish only the best for her and hope that my influence is a positive one in her life.

Affirmation for Meghan: I am grateful for the presence of Harry in my life. He reminds me of what I can do and become in a way that inspires me to my highest potential.

The Fifth Connection Between You

Meghan

Harry

Meghan is the Neptune Card to Harry

Location: Life Spread

Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.

Each of us has a card or two in our Life Spread that represents a person who, on some level, fulfills our innermost dreams and fantasies. We each have a desire for love that transcends time and space, a love that is eternal and completely unlimited in its expression. Whether or not this kind of love is actually possible in this world we live is debatable. But one thing is for certain, we all yearn for it at a deep, soul level and sense that it is a real possibility for our lives. When we meet someone who is our Neptune Card, we are able to experience some of what this may be like, because in some ways they touch upon these parts of us and awaken these kinds of feelings within us. This is the case here where Meghan is Harry's Neptune Card. Meghan stimulates these Neptune energies in Harry and makes him feel things that he may have never felt with anyone else before now.

Neptune relationships often have very romantic and unusual beginnings. There is often a sense of fate surrounding the situations in which the couple first get together. Coincidences abound during their first encounters and they often seem to have been magically drawn together by forces beyond their control.

The Fifth Connection Between You

Meghan

Harry

Sometimes they sense this past-life sort of feeling about each other. Neptune is responsible for some of the most romantic of involvements, those which people write books, songs and movies about. We find very high idealism in this connection, especially coming from Harry, who is on the receiving end of the Neptune influence of Meghan. As a matter of fact, Neptune relationships are known for the fact that the romance remains for the life of the relationship. The fantasy of love and fulfillment never dies.

Truthfully though, in this relationship we will probably find that most, if not all of these wonderful feelings are being experienced by Harry alone. That is of course, unless Harry is also Meghan's Neptune Card in another connection between them. But one of the characteristics of these Neptune relationships is that they are usually one-sided.

Though Meghan may be the person of Harry's dreams, the opposite is probably not true. In fact, because so much of the Neptunian energy has been stimulated in Harry, he may not be able to see Meghan as she really is at all. When under the influence of Neptune's spell, we project many of our expectations, unfulfilled needs and fantasies onto our partner. So much so that we can ignore the person they really are in the process.

This gives Meghan a certain power over Harry but could also make her feel lonely at times. If she wanted to, she could deceive Harry easily because in many ways, he is already deceiving himself. Some Neptune relationships are based upon this deception and the person giving the Neptune energy, Meghan in this case, can use this deception to get what she wants from her partner. But Meghan may tire of this relationship at times because on some level we all want to be loved for who we are. If Harry is projecting his fantasies onto her, she may feel like the real person she is is not being recognized. Communication can help this situation if this is the case.

In Neptune relationships there is usually a strong psychic link between the partners. They often know each other's thoughts and can even second-guess each other's needs and desires. It can be a dream come true, as long as the projected fantasies or deceptions are not the main thrust of their being together.

The Fifth Connection Between You

Meghan

Harry

Affirmation for Meghan: I realize the unusual power I hold over Harry and consciously direct our activities together in positive directions. I realize that I may not be all of what he thinks I am, but I am encouraged by his seeing the highest in me. He inspires me to reach my full potential and for this I am grateful.

Affirmation for Harry: Meghan reveals to me my deepest dreams and desires and in many ways she fulfills them. I use her influence to inspire me to do my best and to reach my fullest potential. I am grateful for Meghan's presence in my life.
